

CURRICULUM VITAE

JIKUN HUANG

PERSONAL INFORMATION

Born in Fujian, China; Citizenship: Chinese

Office Address:

China Center for Agricultural Policy
School of Advanced Agricultural Sciences, Peking University
4th Floor, Wangkezhen Building, 5 Yiheyuan Road, Haidian, Beijing 100871
Email: jkhuang.ccap@pku.edu.cn
Tel: (86)-10-62767327; Fax: (86)-10-62767145

EDUCATION

PhD in Agricultural Economics, 1987-90
University of the Philippines Los Banos, Laguna, Philippines

BS in Agricultural Economics, 1980-84
Nanjing Agricultural University, Nanjing, 210014, China

AREAS OF SPECIALIZATION

Food and agricultural policy; Food demand, supply, market and trade; Agricultural resource management; Economics of climate change; Modelling and decision support system; Rural development.

POSITIONS

Current primary positions:

Professor, School of Advanced Agricultural Sciences, Peking University
Director, China Center for Agricultural Policy, Peking University

Other major positions in recent 5 years:

Member, Expert Advisory Committee, Ministry of Agriculture (MOA) of China
Senior Research Professor at Chinese Academy of Sciences (CAS) S&T Think Tank
Board member, International Food and Agriculture Trade Policy Council (until 2015)
Board member, International Service for the Acquisition of Agri-biotech Applications (ISAAA) (until 2015)
Member, Soft Science Academic Committee, MOA of China
Member, Academic Committee, Chinese Academy of Agricultural Sciences (CAAS)
Member and vice Chair, Academic Committee, Economic Forecasting Center, CAS
Member, Academic Committee, China Institute for Rural Studies, Tsinghua University
Member, Academic Committee, Information Research Institute, CAAS

Positions in professional associations

President, Asian Society of Agricultural Economists, 2016-2020
Vice-president of Chinese Association of Agricultural Economics
Vice-President of Chinese Association of Agro-technology Economics
Executive member, Association of Management Modernization of China

Editorial or Advisory Board in international journals:

Co-editor, *China Agricultural Economic Review*
Associate-Editor, *Asian Journal of Agriculture and Development*
Associate Editor, *World Food Policy*
Editor-in-Chief for Column in Agri. Econ., *Journal of Integrated Agriculture*
Member of Advisory Board, *Agricultural Economics*
Member of Editorial Board, *China Economic Review*
Member of Editorial Board, *Applied Economic Perspectives and Policy*
Member of Editorial Board, *Agricultural Water Management*
Member of Editorial Board, *Global Food Security*
Member of Advisory Board, *China Economic Journal*
Member of Advisory Editors, *Rangeland Journal*
Member of Editorial Board, *Journal of Commodity Markets and Risk Management*
Member of Editorial Board, *Agribusiness: An International Journal*

Member of Advisory Board, *Asian Biotechnology and Development Review*
Member of Editorial Board, *Quarterly Journal of International Agriculture*
Member of Editorial Board, *Asia and the Pacific Policy Studies*
Member of Editorial Board, *the Frontiers of Economics in China*
Member of Editorial Board, *Journal of Resources and Ecology*
Member of Special Advisors, *Transnational Corporations Review*

Member of Editorial or Advisory Board in Chinese journals

China Economic Quarterly
Chinese Rural Economy
China Rural Survey
Forecasting
Geographical Research
Global Management Review
Issues in Agricultural Economy
Journal of Agrotechnical Economics
Management Review
Resources Science
Scientia Agricultura Sinica
The Latest Monthly Statistics
World Economic Papers
Agricultural Economics and Management
Acta Prataculturae Sinica

AWARDS AND HONORARY TITLES

Fellow, World Academy of Sciences TWAS - for the advancement of science in developing countries
Honorary Life Member of the International Association of Agricultural Economists (IAAE)
Fellow of Agricultural and Applied Economics Association (AAEA)
Award for Scientific Progress (Second Prize), Chinese Academy of Surveying and Mapping Geographic Information, 2015
Award for the National Outstanding Team for Poverty Alleviation in China, the Poverty Alleviation Office, the State Council of China, 2011

Award for IRRI's Outstanding Alumni, International Rice Research Institute, 2010
Award for Distinguished Alumni, the University of the Philippines, Los Banos, 2008
Award for Fudan Outstanding Achievement in Management Science in China, 2008
Award for Outstanding Scientific Progress (Third Prize) on Early Warning System Study on Grain and Food Security, the Ministry of Agriculture of China, 2007
National Outstanding Scientist Certificate, the State Council of China, 2007
Award for the First and National Finalists "New Century's Bai-Qian-Wan Talent Program", People's Republic of China (PRC), 2004
Outstanding Achievement Award for Oversea Returning Chinese, 2003
Winner of the 5th Prizes for Young Scientists of China (top 10 Youth Scientists), PRC, 2002
Award for Innovation Team Grant, National Natural Science Foundation of China Committee (NSFC), 2001
Outstanding Youths in National Government Organization, awarded jointly by the State Council and Several Ministries of China, 1999
Award for Outstanding Scientific Progress (Second Prize) on Agricultural R&D Policy Study, the Ministry of Agriculture of China, 1999
Receiver of National Outstanding Youths Foundation, NSFC, 1998
Winner of the 4th Nomination Prizes for Young Scientists of China, PRC, 1998
Top Ten Outstanding Youths Award, Chinese Academy of Agricultural Sciences, 1997
Top Ten Outstanding Staffs Award, Chinese Academy of Agricultural Sciences, 1997
Distinguished Agricultural Scientist, the Ministry of Agriculture of China, 1997
Sun Yefang's Economic Prize (the highest economist award in China, given every 3 years), 1997
Award for Outstanding Scientific Progress (Second Prize) on China's Food Policy Study, the Ministry of Agriculture of China, 1996
Award for Outstanding Scientific Progress (Third Prize) on Zhejiang's Seed Supply and Support System, Zhejiang Science and Technology Commission, 1996
Award for Outstanding Scientific Progress (Third Prize) on China's Crop Regionalization, the State Agricultural Regional Planning Commission and Ministry of Agriculture, 1991
Received Several Best Quality Paper Awards from Various Academic Associations and Organizations in China

PROJECT LEADER AND CO-LEADER IN PAST 10 YEARS

Received more than 80 major research project grants from China and international donors to work on agricultural and rural development

ADVISING GRADUATE STUDENTS:

Graduate program: advisor for about 70 M.S. and Ph.D graduate students with major in agricultural economics and management in 1997-2016
Post-doctor program: advisor for more than 13 post-doctors in 2000-2016.

EMPLOYMENT RECORD:

December 2015 to date

Professor
School of Advanced Agricultural Sciences, Peking University
Director, China Center for Agricultural Policy, Peking University

October 2000 to December 2015

Director
Center for Chinese Agricultural Policy (CCAP), Chinese Academy of Sciences (CAS)

Professor, Institute of Geographic Sciences and Natural Resources Research, CAS

CCAP is led by a small group of well-trained research fellows and support staff who have unmatched skill and experience in working on many aspects of agricultural and rural development. The Center has demonstrated that it can play unique roles in agricultural economics in China and helping government to make a better policy in agricultural and rural development. CCAP was established in Chinese Academy of Agricultural Sciences (CAAS) in 1995 and moved to CAS in 2000.

October 1995 – October 2000

Director and Founder of Center for Chinese Agricultural Policy (CCAP)
Chinese Academy of Agricultural Sciences, Beijing
Professor, Institute of Agricultural Economics, CAAS

September 1994 - September 1995

Research Fellow
International Food Policy Research Institute, Washington D.C., USA

August - September, 1994

Visiting Scholar, Stanford University

November 1992 - August 1994

Professor and Department Head
Agri. Econ. Dept., China National Rice Research Institute (CNRRI), Hangzhou, China

October 1990-October 1992

Post-Doctor Research Fellow
International Rice Research Institute (IRRI), Los Banos, Philippines

April 1987-October 1990

Graduate Fellow, IRRI, Philippines

December 1985-February 1986

Collaborative Research Scholar, IRRI

July 1984-April 1987

Research Assistant, CNRRI, Hangzhou, China

CONSULTING EXPERIENCE

Consultants for more than 20 international organizations, including World Bank, ADB, UNDP, FAO, WFP, ESCAP/UNs, UNEP, IFAD, OECD, APEC, Rockefeller Foundations, CGIAR, EU Commission, etc.

PUBLICATION:

Huang's publications cover a wide range of issues on agricultural and rural development. He has published more than 490 papers in international and Chinese journals, of which more than 260 papers published in the refereed international journals. He is co-author of 19 books. In addition, he also contributed more than 70 chapters in English books and more than 40 papers (chapters) in Chinese books.

I. Articles Published in Refereed International Journals

1. Huang, Jikun, Shukun Wang and Zhihua Xiao. 2017. Rising Herbicide Use and Its Driving Forces in China, *European Journal of Development Research*, forthcoming.
2. Liu, Min, Liesbeth Dries, Wim Heijman, Jikun Huang, Xueqin Zhu, Yuanning Hu and Haibin Chen, 2017. The Impact of Ecological Construction Programs on Grassland Conservation in Inner Mongolia, China. *Land Degradation & Development*, forthcoming.

V. Policy Report and Policy Briefs

Huang has played important role in advising China's agricultural and rural development policies. Based on his research, Huang has prepared more than 80 policy reports or policy briefs since 2001, most of them have been submitted to the State Council, more than 60 of these policy reports/briefs have been noticed, considered or approved for actions by national leaders.
